Childcare Agreement and Terms and Conditions

The following terms and conditions govern the basis on which we agree to provide childcare services to you.

Our obligation to you

- 1.0 We will inform you as soon as we know whether your application has been successful. You are required to confirm that you still wish to take up a place within one week of receiving notification from us. If you fail to notify us then the offer of a place may be withdrawn. Once you confirm a fee-paying place a non returnable deposit payment of £100.00 is required to hold the place for your child. The deposit is refunded on your first childcare invoice. Please note your child's deposit will be taken on completion of the application form. In completing your childcare application an administration fee of £25.00 will be charged.
- 1.1 We provide agreed childcare facilities for your child during the official opening hours of 08:00 – 18:00. If we change the opening hours, we will give parents as much notice as possible, and, if necessary, will work with you to agree a change to your child's hours of attendance, if we have availability.
- 1.2 We will try to accommodate any requests you may make for additional sessions and/or extended hours of childcare. Childcare sessions cannot be carried forward or accumulated.
- 1.3 We will notify parents as early as possible when the setting will be closed.
- 1.4 We will provide you with regular updates about your child's progress.
- 1.5 We will try to make a place available to any of your other children. However, we cannot guarantee that a place will be available.
- 1.6 In the event of an accident or emergency involving your child every effort will be made to contact you immediately. Emergency services will be called as necessary, and your child may be taken to hospital accompanied by a member of staff for emergency treatment. Health professionals are responsible for any decision on medical treatment in your absence. All accidents and emergencies are recorded in our accident book and a copy of the report will be provided to you.
- 1.7 We will arrange settling-in sessions with you to meet the needs of your child, these settling-in sessions are arranged during our quieter times and during times where we have availability. We invite parents into the setting for the first three settling-in sessions and after these three sessions we require children to be dropped off and collected at the nursery gate in line with our policy.
- 1.8 On some occasions the childcare arrangements that have been agreed may not work for both or either party. Under these circumstances it may not be in the best interests of all involved to continue with settling-in sessions or the childcare arrangements. Should this arise the agreement will come to an end.

Your obligation to us

- 2.0 You are required to fully complete and return the *Childcare Registration* form to us before your child can start.
- 2.1 You are required to inform us immediately of any changes to your contact details or other changes to the information on your child's registration form.
- 2.2 The *Childcare Registration* form includes emergency medicine consent and emergency treatment authorisations which you are required to complete before your child attends.
- 2.3 You are required to immediately inform us if your child is suffering from any contagious disease this includes COVID, or if your child has been diagnosed by a medical practitioner with a notifiable disease. We need to protect other children and staff at the setting so you cannot bring or allow your child to attend at these times. When your child is contagious they pose a risk to other children and staff during normal daily activities. You must inform us if you have given your child calpol before arriving at nursery, if calpol has been given for any other reason other than teething this must be discussed with a member of staff. Children should not attend nursery if they are unwell, any children who appear unwell during the day or who develop a fever throughout the nursery day will be required to be collected immediately.

Children are not allowed to attend nursery with any contagious illnesses, our policy includes COVID, fevers, conjunctivitis, impetigo, croup and whooping cough. Although conjunctivitis isn't listed as contagious, through past experience we find it spreads very quickly throughout the nursery and children are uncomfortable with the condition and they need to be cared for at home until their eyes feel better. We will continue to keep parents up to date with regards to our COVID policies and procedures.
- 2.5 You are required to inform us of the identity of the person(s) who will be collecting your child. We will require proof of identity and a password if a person collecting your child is not usually responsible. You should let us know in advance about these changes. If we are not reasonably satisfied that the person collecting your child is expected, we will not release your child into their care until we have checked with you.
- 2.6 You are required to inform us immediately if you are not able to collect your child by the official collection time. For example, if your child is eligible to start claiming their 30 hours from January, the code needs to be obtained before 31st December. not apply. The nursery only offers standard education funding and we do not offer stretched funding. We may also ask for additional information recorded on your child's registration form that will assist HMRC in making a decision about eligibility for certain entitlements.

3.12 An hourly consumable fee of £2.00 per hour runs alongside the funding and parents are invoiced for this alongside their normal fees.

3.13 All teaching sessions, this includes: Music, Dance and Ballet, will be invoiced half termly in advanced.

4.0 Suspension of a child

4.1 We may suspend providing childcare to your child at anytime if you fail to pay any fees due.

4.2 If the period of suspension for non-payment of fees exceeds one month, either of us may terminate this Agreement by giving written notice. This takes effect on receipt of the notice.

4.3 We do not support the exclusion of any child on the grounds of behaviour. However, if your child's behaviour is deemed by us to endanger the safety and well-being of your child and/or other children and adults, it may be necessary to suspend childcare while we try to address these issues with you.

4.4 It may also be necessary to share our concerns with other external agencies as appropriate. The decision to suspend your child will be made with the agreement of the nursery owner.

4.5 During any period of suspension for behaviour-related issues, we will work with the local authority and where appropriate, welfare agencies to identify appropriate provision or services for your child.

4.6 If your child is suspended part way through the month, under the conditions stated in clause 4.3, we will give you a credit for any fees you have already paid for the remaining part of that month, calculated on a pro rata basis. This sum may be offset against any sums payable by you to us.

5.0 Termination of the Agreement

5.1 You may end this Agreement at any time, by giving us at least one month's notice.

5.2 We may immediately end this Agreement if:

5.2.1 You fail to pay your fees.

5.2.2 You breach any of your obligations under the Agreement and you have not or cannot put right that breach within a reasonable period of time.

5.2.3 You behave unacceptably; we do not tolerate any physical or verbal abuse or threats towards staff or other parents.

5.2.4 We take the decision to close. We will give you as much notice as possible in the event of such a decision.

5.3 It may become apparent that the support we can offer your child and family is not sufficient to meet his or her needs. We may feel that this agreement is not working effectively and is not in the best interests of the overall nursery or your family, at which point we may end this Agreement.

6.0 General

- 6.1 If we close or take the decision to close due to events or circumstances beyond our control such as COVID, illness, extreme weather conditions (including snow, flooding and extreme heat), power cut, and no heating or hot water the daily fee will continue to be payable in full. We will be under no obligation to provide alternative childcare to you. However, if the closure exceeds three consecutive days in duration (excluding any days when we would otherwise be closed), we will credit you with an amount that represents the number of days closed in excess of three days. This will be 50% of your fees after the three days the nursery has been closed. This includes COVID and any other future viruses and illness closures.
- 6.2 If you have any concerns about the childcare we provide, please discuss them with us. If your concerns are not resolved to your satisfaction, please contact the setting manager.
- 6.3 From time to time, we may take images or video of the children who attend. These images or video may be used by the setting for promotional purposes. If you do not wish your child to be included in these images or videos, you should record this when you complete the registration form.
- 6.4 While food and drink is provided on the premises, we are not a commercial kitchen and cannot cater for the individual needs of every child. Every effort is made to follow recommended food preparation guidance and to ensure that all setting staff involved in the preparation and serving of food are suitably trained.
- 6.5 We encourage a 'no toy' from home policy, except for bedtime toys and comforters. Small parts from toys are dangerous and go missing. It's very difficult for staff to find missing toys at home time and we can't be held responsible should toys from home get lost or broken at nursery. This policy includes precious hair slides and accessories, dressing up clothes from home and precious clothing. Children should attend nursery in clothing that doesn't matter should it get dirty through outside play activities or painty during creative activities. We do our best to ensure children's clothing stay protective but unfortunately at times clothing becomes ruined.
- 6.6 Normally we will seek your consent before sharing information about your child with another professional or agency. We are required to share any information with the local authority and other relevant agencies if there are any safeguarding concerns about your child. In certain situations, we may not seek consent prior to sharing information, or we may, in certain specified circumstances override a refusal to give consent.
- 6.7 You must avoid making any social media communications that could damage our business interests or reputation, even indirectly or link us to any political movement or agenda.
- 6.8 You must not use social media to defame or disparage us, our staff or any third party; to harass, bully or unlawfully discriminate against staff or third parties; to make false or misleading statements; or to impersonate staff members of the setting or other related third parties.

- 6.9 We reserve the right to vary the terms and conditions contained in this Agreement giving at least one month's notice.
- 6.10 This Agreement contains the full and complete understanding between the parties and supersedes all prior arrangements and understanding whether written or oral relating to the subject of the Agreement except to the extent that we vary terms from time to time.
- 6.11 Acceptance of a place will be deemed as acceptance by you of these terms and conditions.
